## US TARIFF:

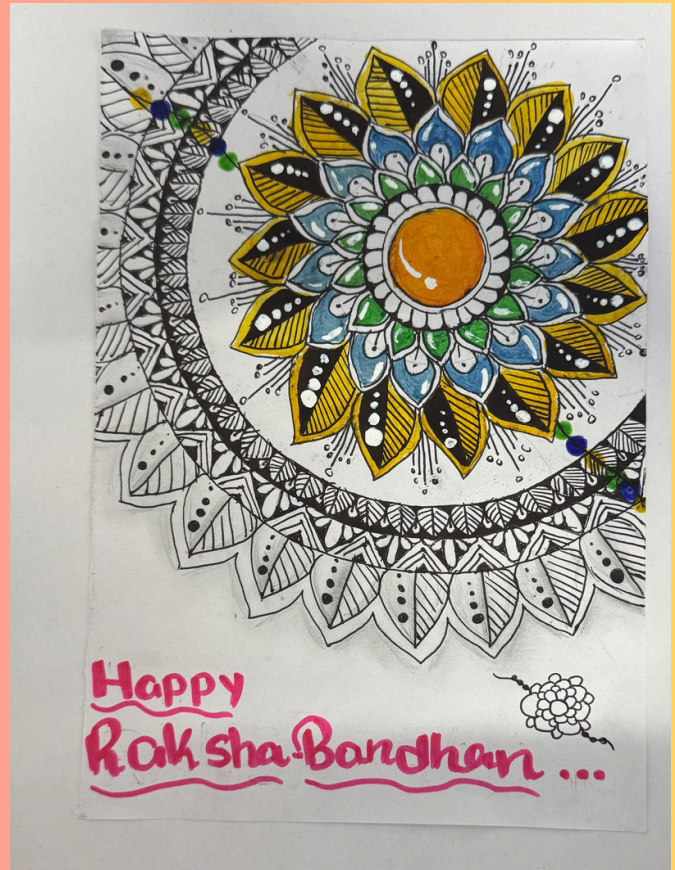

Trump said that India should stop buying Russian oil. He has given a statement to the media that he is pleased with the news that India has stopped buying Russian oil. While, the EAM (External Affairs Ministry) denies it. India has replied this with increasing textile exports in many other countries including Japan and Germany.

Hi,

This was a very happening month.

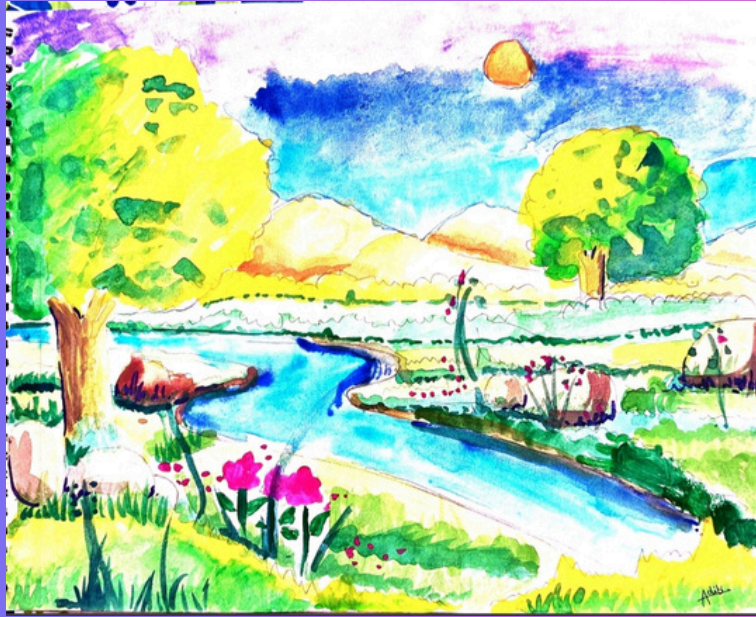

There were many festivals. Including Ganesh Chaturthi and Janmashtmi. There was also a patriotic spirit during Independence day. I have no real sibling, but was blessed when tied a Rakhi by my neighbourhood sister and my mother's friend.

Now, I would like to announce the winner of the Rakhi art contest. The amazing entry was sent by Venica Karia, 7<sup>th</sup> std., Christ School, Rajkot.

# **RUSSIA EARTHQUAKE AND TSUNAMI**

Recently, an earthquake of 8.8 magnitude (According to scientists, it's an earthquake that causes "great threats to lives and infrastructure") hit the eastern coast of Russia. It triggered 10 feet high waves hitting the region, hence causing a tsunami. Global threats of tsunami were triggered by that. Alerts were issued from USA to China. But, major threats have reportedly passed. A volcano has also erupted in the region. According to Russian authorities, the volcano last erupted in 2023. A tremor of the earthquake struck Kiril Islands in Russia, which was of 6.8 magnitude, a volcano, that last erupted 600 years ago, erupted. There is a Russian nuclear submarine base in that region. But, the defense experts say that it is designed to bear quakes. The government has given no statement about it yet.

No casualties were reported.

On 3<sup>rd</sup> August, 2 days after the earthquake in Russia, an earthquake of 5.0 magnitude struck southern Iran in the morning. And, it is reported to be connected to the Russian earthquake.
