Plant, A Hope

Sit in backyard for a while,
On your face will come a pretty smile.

Can't you sit with nature sometime,
Where you have freedom to grow anything, even lime!

Can't you get away from phone sometime,
Spending more time with plants alive, won't you like?

Now, if you don't plant trees, the whole mankind will feel guilty,
All you need to do is , plant a seed, water it regularly, and it will grow in a jiffy.

Plant a seed, that is round,
One day, your hardwork will speak out loud.

Then roots spread around,
Deep down the ground.

Then a stem comes up, contrasting,
Preparing to form a tree, long-lasting.

Patience results in layers,
A blooming flower is a result of your care.

Grow a flower and make a pond nearby,
See how butterflies make it beautiful hereby.

Look how you become a nature lover,
Among everyone, your plants' talk will hover.

This will be offering to environment by your side,
'I have contributed to nature', you can flaunt with pride.
